

PST Update 5-31-2020

Good morning Bayside family. It is so good to be able to worship with you in person this morning.

The PST wanted to bring you up to speed as it seems like forever since we have been able to get together.

We have continued working on our assignment during these times with multiple Zoom meetings to review, discuss, eliminate and dig deeper into various candidates. We have also been able to meet in person the last two weeks.

Our current resume count is 241.

We currently have 5 candidates that we are studying to see if we want to move forward with them.

One concern for us as a team is who would leave their church in the middle of this pandemic.

We have struggled with how hard to pursue anyone at this time because of the nature of what's happening in churches all across our country.

In addition, we have always included a visit to a candidate's church as a critical part of our review process and that does not appear possible at this time.

We will continue the review and due diligence process until such time as the country opens back up. Then, we would plan on moving forward with more intensive investigation, interviews, and perhaps church visits in the near future.

Please continue to pray for us as we seek the man God has for Bayside's Senior Pastor.
